Dear Mr. Harold Heisberg:

Sorry, I'm late with a 'Thank you' note, for White Hash II, and signed by you.

I've heard and read as many articles on this, but I am still all for you, and your dear wife Lillian.

Have no idea what is your religion, it makes no difference to me, I'm Catholic, but I have friends of all religion, they are striveing to be good, as I try to.

I'm enclosing a St. Christopher Medal, it has been blessed. Since you must travel so very much, would you carry it, to
